Christian Youth In Action®

Christian Youth in Action® equips students (ages 13 to college) to effectively evangelize elementary children through summer outreach. Each summer missionary attends a 10-day training camp held at Mt. Caramel Bible Camp 30 minutes east of Minot where they will be taught how to effectively teach Bible lessons, memory verses, songs and missionary stories.

God uses the summer ministry to impact both the summer missionary and the children to whom he/she ministers. If you are looking for an exciting way to spend your summer serving God, CEF® has the answer. You can make a difference right here in our state! You will learn to share your faith, and you will grow in your relationship to the Lord as you serve Him!

Words can not describe how beneficial this ministry has been for me. I'm not sure how close I would be to God if I was not involved with CYIA™. I look forward to having fun, spending time with friends, and serving God every summer.

Leland Davenport, CYIA Student

5-Day Clubs®

A 5-Day Club® is a week-long high energy Bible program for kids in the community. Clubs occur at homes, parks, and churches across southwest North Dakota with trained individuals presenting the Gospel—DAILY. In

addition to the 5-Day Club program, we assist churches with VBS and Day Camps with similar activities.

At club, children play exciting games, sing songs, learn Bible verses, listen to a mission story, and hear Bible stories.

Good News Clubs®

In 2001, the doors opened to take the Bible into public schools. On June 11, 2001, the U.S. Supreme Court ruled in *Good News Clubs v. Milford Central School* that every organization has equal access to public buildings after hours. School districts cannot discriminate on the basis of viewpoint.

Good News Club® is a Bible class in the public school after school hours. Kids learn Biblical principles such as respect for authority, obedience, and honesty through fun games, songs, and Bible verses and stories.

We provide valuable training seminars for *Good News Club* teachers and children's workers in any local church.
